Re: *CAN Technologies v. Optima Besin*, 07-cv-09541

Dear Judge Baer:

On behalf of plaintiff CAN Technologies, Inc., we write to request a 90-day adjournment of the pretrial conference currently scheduled for February 28, 2008 at 3 p.m. Your Honor granted one previous adjournment on January 23, 2008 to allow time for completion of service of process. Plaintiff has in the interim commenced service under the Hague Convention as defendant is located in Turkey. Although there is no way to predict with certainty how long it will take the Turkish authorities to complete service, we would hope that this would be accomplished within 90 days and request that the conference be adjourned for a like period. Pursuant to Your Honor's Individual Rules, I enclose a current copy of the docket report for the case.

Respectfully,

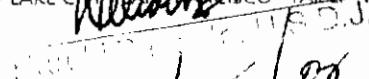

Grace L. Chan
